

Seeking NYSDEN Conference Sponsors

September 29, 2026, 8:30 am - 4:30pm

Hosted at University of Albany

The **NYSDEN Digital Equity Conference** is an annual regional and statewide conference focused on digital equity and inclusion. **NYSDEN** is a nonprofit organization that brings together coalitions, community-based organizations, researchers, public agencies, libraries, workforce partners, and other stakeholders committed to ensuring that all New Yorkers have the access, skills, and support needed to fully participate in today's digital economy. The conference is a gathering that supports advocacy, best practices and coalition building.
